\* More information on the following pages

# DEAD SPACE 2

# PLASMA CUTTER

Isaac Clark's replica Plasma Cutter is modeled from the new design in *Dead Space 2*. It features trigger activated LED lights.

# DOWNLOADABLE CONTENT

The Isaac Unitology Suit and accompanying Force Gun offer unique advantages to the player when used in *Dead Space 2*.

DEAD SPACE <sup>2</sup>

# EXCLUSIVE MUSIC

*The Dead Space™ 2 Original Soundtrack* features an hour of music compiled from the score of Dead Space 2. Also included is a *Scoring of Dead Space 2* featurette.

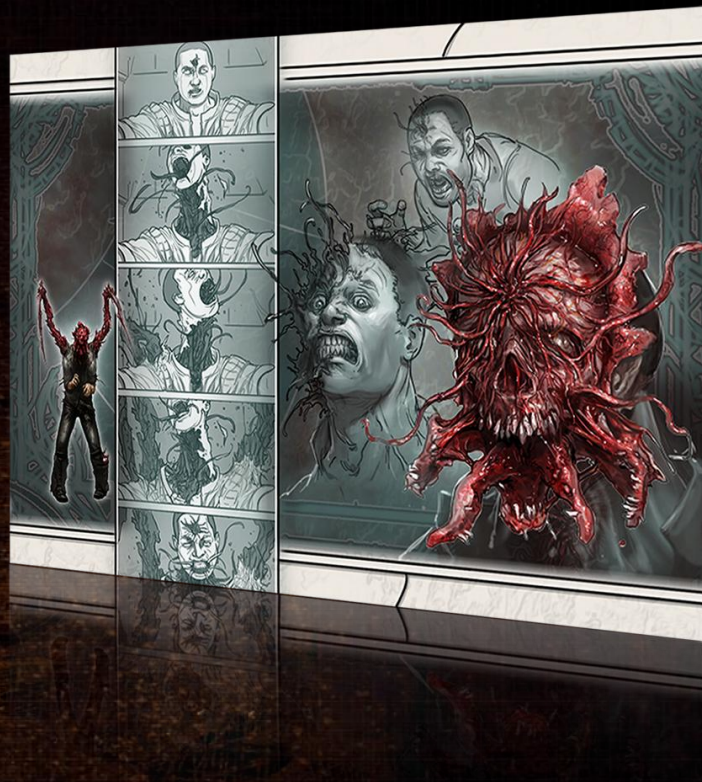

DEAD SPACE<sup>2</sup>

# LITHOGRAPH

The *Dead Space*™ 2 Collector's Edition features a rare lithograph depicting Necromorph transformation concept art by Visceral Games artist Brett Marting.

DEAD SPACE<sup>2</sup>

# DEAD SPACE™ EXTRACTION

For players who purchase on PlayStation 3, they will receive the full game as well as the critically acclaimed *Dead Space Extraction*. See how it all began in the PlayStation® Move supported prequel to *Dead Space*, available for the first time in HD.

The logo for 'Dead Space Extraction' is displayed on a dark, rectangular surface. The words 'DEAD SPACE' are in a large, bold, white font with a blue glow effect. Below them, the word 'EXTRACTION' is in a smaller, white font with a blue glow effect. The background of the image is a dark, textured surface with a grid pattern and some orange, glowing, fibrous structures.
